Rules and Procedures

Paratransit Drivers WILL

- Help you board and exit the vehicle
- Secure your mobility device to the vehicle (walkers, canes and carts are not secured)
- Upon request, escort you to and from the front door of the primary building upon arrival at both origin and destination
- Assist with loading shopping bags upon request. You may carry four shopping bags on the vehicle. The shopping bags may not weigh more than twenty pounds each. The shopping bags must remain out of the aisle.

For Safety Reasons, Paratransit Drivers WILL NOT

- Enter your private residence
- Push your wheelchair up or down any stairs, steep ramps or inclines
- Lose sight of their vehicle
- Enter an apartment complex, driveway, or other private property without written permission from the property owner
- Carry more than four shopping bags

Being on Time

- Once your pick-up time has been confirmed, Tri Delta Transit has a 30-minute window during which to arrive (either 15 minutes before or 15 minutes after your scheduled time).

For example, if your pick-up time is confirmed for 12:30 pm, you should be ready for pick-up from 12:15 p.m. to 12:45p.m.

- You must meet the paratransit driver within 3 minutes of his/her arrival during the 30-minute window.

For example, if your scheduled pick-up time is 7am and the driver arrives at 6:45am, the driver will wait until 6:48am. If you are not ready, you will be marked as a no show.

Rider Responsibilities

- For your safety, please refrain from eating, drinking, and smoking while on the bus.
- There is no reserving of seats, fighting, yelling or obscene language allowed.
- You are also requested to not wear scented personal care products while using the service. This is to ensure that vehicles are accessible for passengers with multiple chemical sensitivity.

Shared Ride Transportation

Paratransit is shared ride transportation. This means that other passengers may be on-board during any part of a ride and that scheduled pick-up times or routes of travel may be altered so another passenger can be accommodated. It is likely that the vehicle will stop and pick-up other passengers as it proceeds.

Shared rides help lower the cost of paratransit.

Mobility Devices and Securement

All Tri Delta Transit vehicles are equipped with a mobility device ramp or lift.

- Passengers using a wheelchair are encouraged to remain in their chairs and wear a lap belt during boarding and exiting and while riding in the paratransit vehicle.
- Passengers using a scooter are encouraged to transfer to a seat during travel and wear a lap belt.
- During boarding and exiting, electric mobility devices are required to be set on the lowest speed or turned off.
- Mobility devices are required to be in good working order and must adhere to ADA requirements/limitations. Maximum size for a mobility device is 30 inches wide and 48 inches long. The maximum combined weight of a passenger and their mobility device is 600 pounds.
- All mobility devices except walkers, canes, and carts must be secured to the bus. All other items must be kept clear of the aisles.

Service Animals and Pets

Service Animals

A service animal is an animal specifically trained to assist you with necessary duties. If you travel with a service animal, you must include this information on your application. Please let the reservationist know you will be bringing a service animal when scheduling your ride.

- Animals meeting service animal criteria may board the bus with you at any time.
- While riding in a vehicle, the service animal is required to sit, stand, or lay on the floor of the vehicle and may not block the aisle.
- If your service animal misbehaves, you will be asked to remove the animal from the vehicle. If there are multiple occurrences of misbehavior, the animal's riding privileges may be revoked. Examples of misbehavior include unprovoked growling or attacking passengers, the driver, or other service animals.

Pets

Pets may board the bus with you if your pet is in a pet carrier. For safety reasons, the driver is unable to assist with carrying the pet carrier. Please let the reservationist know if you will be bringing a pet carrier when scheduling your ride.

Fares

Paratransit drivers must collect fares upon boarding, so please have the exact fare ready prior to boarding. The driver cannot give change.
