## **Additional Information**

The specifications included in the bid documents is currently in the review process by the California Division of the State Architect (DSA). Substantial changes are not expected. Once the review process has been completed, any required changes to the specifications will be handled either via addendum or the change order process described in the General Conditions section of the IFB, page 24.

## Questions and Answers

**Q: What is the estimated project value?**

A: The engineer's estimate is \$48,764.

**Q: Is the DBE goal 23%?**

A: There is no current DBE goal attached to this project.

**Q: Is this a mandatory site walk?**

A: No.

**Q: Is the contractor responsible for providing the trash cans?**

A: No. ECCTA will provide the trash cans.

**Q: Are the ECCTA-provided bus shelters identical to those currently at the site?**

A: They are similar but not identical. Contractors are advised that the project involves replacing two shelters with three. One location will have two shelters after previously having only one.

**Q: Will the shelters require power?**

A: No, they are solar-powered.

**Q: Will the contractor be responsible for acquiring any permits?**

A: Yes. However, ECCTA will reimburse the contractor for any applicable permitting fees.

**Q: Will you be keeping the nearby non-shelter-related benches?**

A: Yes.

**Q: Would contractors be required to provide finished as-built plans?**

A: No.

**Q: Will the project require any striping work?**

A: Yes, particularly three impacted handicap parking stalls. There will also be some minimal removal and replacement striping.

**Q: Do the pedestrian ramp wing grades have to have a less than five percent grade?**

A: No – they must have less than ten percent grade.

**Q: Are bids only received electronically?**

A: No. Hard copies of bids may also be submitted.
