Transform Tri Delta Transit

Tri Delta Transit seeks community input on proposed service improvements.

Antioch, CA, September 13, 2021 - Eastern Contra Costa Transit Authority (Tri Delta Transit) is seeking community input to improve transit service in eastern Contra Costa County. After receiving feedback from residents last fall, the agency developed service improvements in response to the identified needs.

Tri Delta is now seeking feedback on these suggested improvements at <http://www.transformtrideltatransit.com>. The feedback survey is also available on paper or can be taken over the phone by calling 925-285-8076 8am to 8pm weekdays. Those who complete the survey will be entered to win one of three \$35 Amazon gift cards.

“Tri Delta Transit would like to thank all those who have participated so far, and encourage others to do so, because your feedback is important to how transit progresses in eastern Contra Costa County,” stated Tri Delta Transit CEO, Jeanne Krieg.

Proposed improvements include bus service to the new Oakley Park & Ride lot located on Main Street, northwest of East Cypress Road, expansion of Tri MyRide services in both Antioch and Pittsburg, and service to the new Los Medanos College Brentwood Center.

Public input collected with the survey will be used to fine-tune the proposed service improvements, which, if approved by the Tri Delta Transit board at the public hearing and meeting on October 27, 2021, will be implemented in late winter 2022.
