Addendum No. 1

Response to Question and Requests for Clarification, Interpretation, and Additional Information

For:

Request for Proposals #2024-04 Micro-transit Software and Support Services

Eastern Contra Costa Transit Authority

Notice to Prospective Proposers

Eastern Contra Costa Transit Authority's (ECCTA) response to questions and requests for clarification, interpretation, and additional information, as set forth in the Information to Proposers section of the RFP, page 10, "Interpretation of Contract Documents," is attached and hereby incorporated into, and made part of, the RFP solicitation for the provision and support of micro-transit software as a service with ECCTA's service area.

Office of the CEO

December 2, 2024

Revised Key Proposal Dates

Additional Information and Clarifications

ECCTA's current contract with Via Mobility expires on May 4.

The Key Proposal Dates on page 8 has a due date for Requests for Substitution as Friday, December 13 at 3:00 p.m. This due date also serves as the due date for any lingering questions about any facet of the RFP, including the Scope of Work. A revised Key Proposal Dates is made part of this addendum to illustrate this clarification.

Questions and Answers

Q: Section 3, “Information for Proposers,” page 12 directs proposers to complete a project reference table. However, no project reference table exists in the RFP documents. Can ECCTA provide the project reference table?

A: Proposers do not need to submit a project reference table. The direction to do so in the RFP is an erroneous typo left over ECTA’s 2019 micro-transit RFP. While proposers must still submit reference information that contains a listing of at least five projects within the last three years, the proposer is to free to format said information in a manner they deem appropriate.
