

Revitalize
TRI DELTA TRANSIT

**WE ARE CHANGING OUR SERVICE
AND NEED TO HEAR FROM YOU!**

What is Revitalize Tri Delta Transit?

Revitalize Tri Delta Transit is a comprehensive study of Tri Delta Transit’s transit system, which will take an in-depth look at the existing bus service in East County to improve it for those who rely on it most.

The study evaluated travel patterns, existing plans, and local and regional demographic data.

We gathered feedback from transit riders and community stakeholders through surveys and open houses.

The study identified ways for Tri Delta Transit to operate more efficiently and serve more people.

The outcome of this study will be a preferred service alternative that combines best of each alternative.

WE WANT TO HEAR FROM YOU!

We are looking for community input to help guide how and where to invest in better bus service. Scan the QR code and take a short survey to tell us what you think about the two alternatives.

For details on the project, updates, and information visit:
