Addendum No. 1

Response to Question and Requests for Clarification, Interpretation, and Additional Information

For:

Request for Qualifications #2025-01 Design-Build: Hydrogen Fuel Station

Eastern Contra Costa Transit Authority

Notice to Prospective Proposers

Eastern Contra Costa Transit Authority's (ECCTA) response to questions and requests for clarification, interpretation, and additional information, as set forth in the Information for Interested Firms section of the RFQ, page 8, "Interpretation of Contract Documents," is attached and hereby incorporated into, and made part of, the RFQ solicitation for statements of qualifications (SOQs) from firms interested in providing design-build services to assist ECCTA with the design and installation of a hydrogen fueling station for use by buses powered with hydrogen fuel-cells, to be located at ECCTA's facility in the City of Antioch, California.

Office of the CEO

Revised Key Dates page

Additional Information and Clarifications

ECCTA is seeking contractors that can also provide design services for the design and installation/construction of a complete hydrogen fueling facility, as generally indicated in the preliminary design documents and specifications. All references within the RFQ to “consultant” shall be understood as to mean “contractor.”

Questions and Answers

Q: Can ECCTA extend the deadline for questions by 48 hours?

A: Yes. Interested firms can now submit questions until Friday, February 21, by 12:00 p.m. PST. A revised Key Dates sheet has been included as part of this addendum.
