

New TDT Network Expanded Antioch Tri MyRide

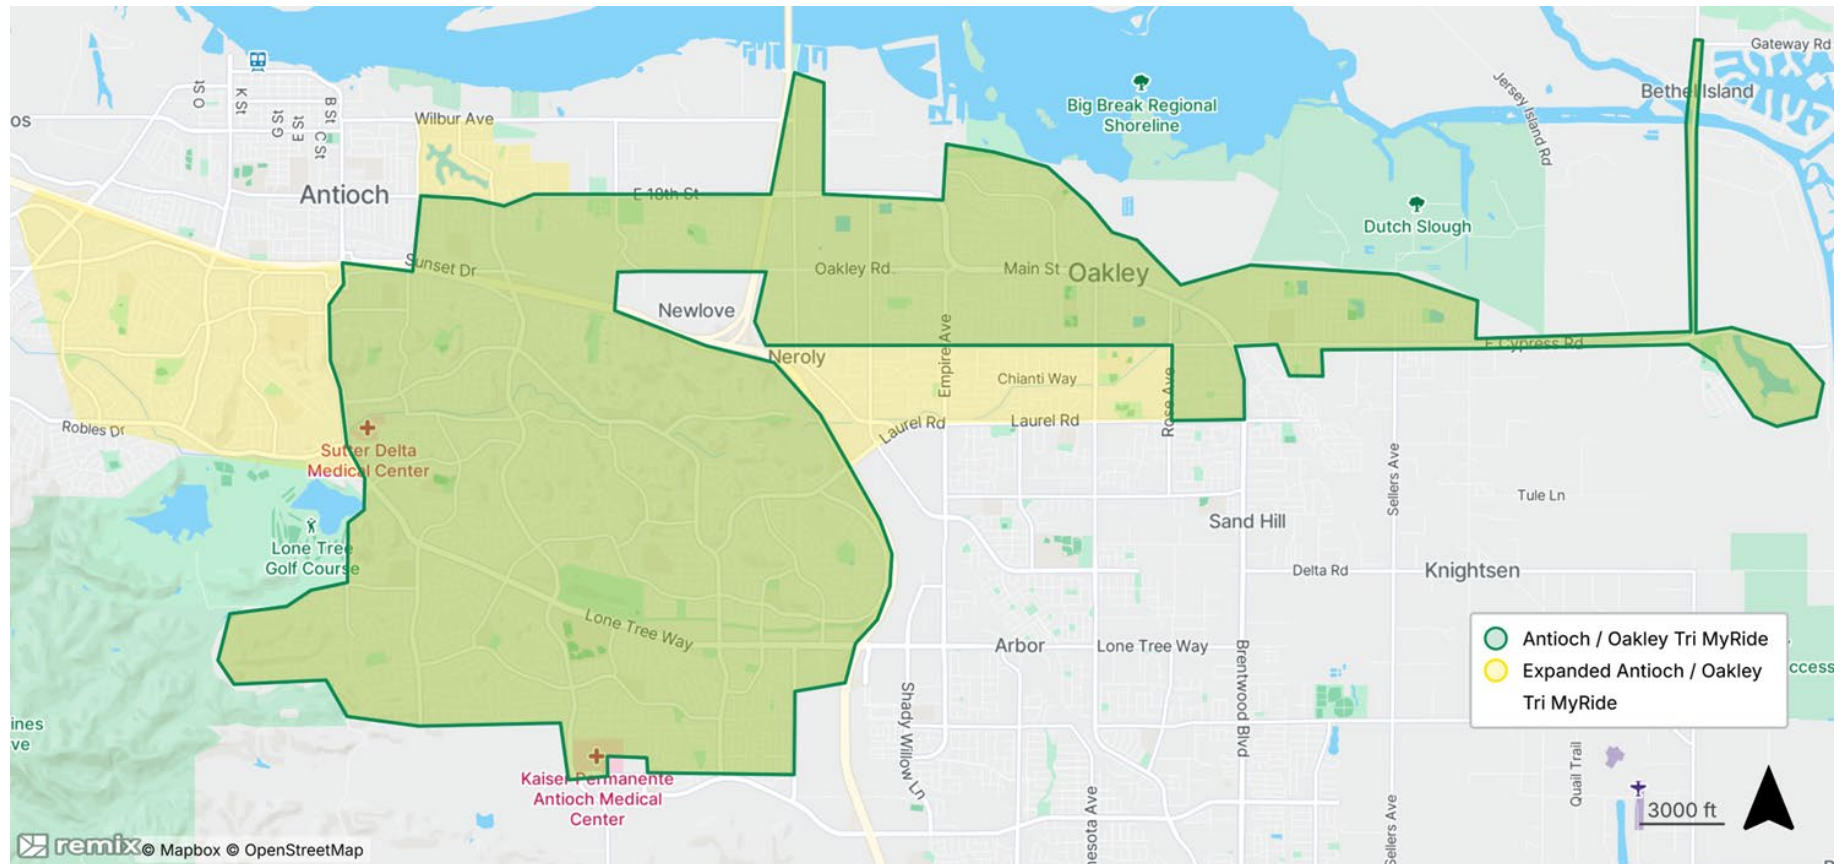

In the New TDT Network, the Antioch Tri MyRide zone would be expanded to provide more flexible, all-day curb to curb service in additional neighborhoods throughout Antioch.

Currently, Route 380 provides service to southwest Antioch, which includes areas around Gentrytown Dr., James Donlon Blvd., and Contra Loma Blvd. Other than at school times for trips headed to Antioch High School, ridership in southwest Antioch is limited.

Regular bus service like Route 380 should be restructured to better reflect ridership demand. As part of this, **all-day service on Gentrytown Dr., James Donlon Blvd., and Contra Loma Blvd. should be replaced by an expanded Antioch Tri MyRide zone.** Antioch Tri MyRide will provide more flexible, direct service for customers in this area, and improve access to transit.

Antioch Tri MyRide would continue to provide access to BART and also serve the Somersville Towne Center area, where transfers to LMC, Pittsburg, and Pittsburg/Bay Point BART are available.

Hours of Service			
	Weekday	Saturday	Sunday
New TDT Network Antioch Tri MyRide	5:00am-9:00pm	8:00am-5:00pm	8:00am-5:00pm
